Subject: Re: Globe Letter

Steve - Sam and I have been coordinating for a couple of weeks on ASARCO-Globe and VB/I-70. We had a meeting last week with the State and Brownfield Partners - the "cleanup-developer" of the ASARCO-Globe site. I won't say I'm fully versed on both sites but I am immersed in ASARCO-Globe and working my way into VB/I-70. Probably the one thing that I think I'd like to discuss with you is the assignment of 3 CICs to VB/I-70.

I have spoken with Fonda at the State about the letter and they had drafted a letter in response. It hasn't gone out yet but he's sending me the draft. Let me know if you still want to meet with both Sam and I.

Thanks

Subject: Globe Letter

Sam & Paula, Please review the attached letter, which was addressed to Carol Campbell and Martha Rudolph.

Paula, Please set up meeting this next week, so I can discuss the transition for this site with you and Sam.

Thanks,
Steve
